Dear Parent(s):

Great News! Your son/daughter is invited to participate in Tangelo Park’s Tutoring program. This additional academic instruction is designed to increase students’ academic achievement in grade level state standards. Sessions are free of charge and will be facilitated by our own dedicated teachers. The tutoring program will begin **Tuesday, September 17, 2019**. **Every Tuesday and Thursday, from 3:30pm-5:30pm, students will be provided with a snack and a meal.**

Your student has been selected to receive tutoring additional instruction on skills and concepts that support their grade level curriculum in either Reading or Math. Tangelo Park’s tutoring program is for select students in grades third through fifth grade. There are a limited number of spots available for tutoring, so please return this form to your child’s teacher as soon as possible. To ensure that the students get the most out of the program, please adhere to the following:

- Attendance is mandatory. Only two absences and early releases are allowed.
- Students must be picked up on time.
- Siblings of students that are not in the tutoring program may **not** stay with tutoring groups.

Failure to adhere to the above could result in your child being dismissed from the program.

Sincerely,

Ms. Lakeitha Black

Principal
