Hello Tangelo students and parents,

We are looking forward to having our preregistered Face to Face students on campus in the morning. Students, please bring your fully charged devices and your charger with you. In addition, students are expected to return their completed student information folders. Breakfast will be served at 7:45 a.m. and the school bell will ring at 8:15 a.m. Please be sure to complete the Transportation Survey located on the main page of our school website. Unfortunately, there is no YMCA after school programs.

We would like to encourage our LaunchED@Home students to continue logging into Canvas at 8:15 a.m. LaunchED@ Home parents and students, we need your support with ensuring students are set up for success by setting him/her up in a learning space that is conducive to focusing and learning. A table or desk and a comfortable chair, in an area free from distractions and background views or any conversations within the home that will distract students from learning. Many students are using headphones and that is also helping them to maintain attention. Please make sure children are logging in and ready to learn by 8:15 AM – live lessons begin no later than at 8:45 AM. A reminder to parents and students...there is no recording permitted during LaunchEd. This is for the privacy of all participants. If you are needing additional assistance, please ask your teacher for a tutorial.

Thank you for understanding.

Sincerely,  
Principal Mincey Black
